MANUFACTURER'S AUTHORIZATION FORM

Hamburg, 19. January 2026

Eppendorf SE is a proven and reputable manufacturer of laboratory equipment, having factories in Germany, the United Kingdom, the United States of America and People's Republic of China. We further confirm that Eppendorf Himac Technologies Co., Ltd., who is a proven and reputable manufacturer of certain centrifuges, having a factory in Japan, is a fully integrated subsidiary of Eppendorf SE.

We acknowledge that

BIONOVO
Nowodworska
59-220 Legnica
Poland

is an authorized distributor for Eppendorf products, except for Bioprocess in the territory of Poland.

In this regard, we further acknowledge that they negotiate, offer, sign and stamp their offers regarding Eppendorf products for tenders in their own name and sell such products in the aforementioned territory.

However, Eppendorf SE may refuse to carry out deliveries of its products insofar as carrying out such delivery is prohibited or impaired by applicable foreign trade law (especially export control).

This Manufacturer's Acknowledgement is valid until 31.12.2026.
